

The following is a routing instruction on behalf of Moog Ltd.

The below table indicates the acceptable means of transport of ex-works shipments made to Moog Ireland.

Road Shipments

Weight	Carrier	Service	Contact
0-100 Kgs	TNT	Economy service	Your Local TNT office
100-1000 Kgs	DHL Freight	Standard	Tel. 353 (21) 4963567

Air Shipments

Weight	Carrier	Service	Contact
0-75 Kgs	DHL Express	Overnight	Your Local DHL office
80-1000 Kgs	DHL Global Forwarding	Standard	Tel 353 (21) 4968080

Account information can be obtained from the relevant buyer who has placed the PO with your company or organisation.

Failure to comply with this routing instruction will result in all charges on shipments to Moog being reversed to sender.

Moog also honours no express or overnight shipments unless agreement has been sought before delivery.

Moog will not accept any liability for charges resulting from late deliveries where the delay is on the behalf of the vendor. Moog will also except no liability for charges resulting from defective goods being returned to the vendor and the subsequent freight charges resulting from the reshipment of these goods to Moog.
