

MCL – APPROVED RAW MATERIALS & CASTINGS SUPPLIERS LIST

DEFINITION:

- § **SUB CONTRACTOR:** First Tier Supplier (Machining/Design And Make) To Moog Controls Limited
- § **SUPPLIER:** Stockist/Distributor/Mill House
- § **MATERIAL:** Raw Material And Or Casting

POLICY:

- § The Moog Controls Limited (mcl) policy and preference is for sub contractors to use suppliers of material already approved by the prime (tier 1 company) ie Airbus, Rolls Royce, Boeing etc. failing that the supplier should hold AS9100 / AS9120. Note: this standard requires suppliers to regularly and independently test their own raw material.
- § Suppliers not holding a prime / tier 1 approval or AS9100 may be considered for use, but must be assessed and approved for use by Moog Controls Limited and be listed on this site !

RELEASE DOCUMENTATION: FOR ANY C OF C BEING SUPPLIED INTO MCL: (REFER TO BELOW APPROVAL COLOUR CODE STATUS)

Where the material has been purchased from a listed **“BLUE”** supplier:

the sub contractor shall ensure that the suppliers Airbus approval no: (ie AUK/SA/12345) and/or Boeing or Rolls Royce approval no etc is clearly quoted on the chemical analysis **and** all release certification(s). chemical analysis **and** release documentation is required for every material lot.

Where the material has been purchased from a listed **“GREEN”** supplier:

the sub contractor shall ensure that the supplier(s) supply a legible copy of the relevant chemical analysis **and** all release certification(s). chemical analysis **and** release documentation is required for every material lot.

GENERAL:

- § In general, any supplier not listed on the attached below shall not be used in the supply of material to Moog Controls Ltd, unless discussed otherwise in advance and approval received in writing by the MCL Supplier Quality department.
- § Minimum quality approvals shall be flowed down through the supply chain.
- § If in doubt, please contact Moog Controls Ltd Supplier Quality department on +44 (0)1684 296600

APPROVAL COLOUR CODE STATUS:

PREFERRED APPROVED SUPPLIERS:-

CONDITIONS: CUSTOMER APPROVALS (IE AIRBUS) OR AS/EN9100 / AS9120

OTHER APPROVED SUPPLIERS:

CONDITIONS: MCL APPROVAL
