

Accessing TIP through Moog's Supplier Portal

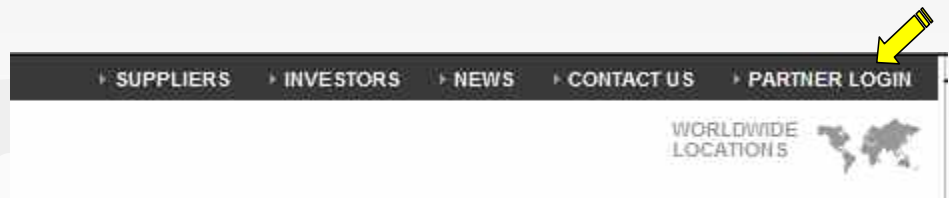

COMMENTS

PROCESS FLOW

PURPOSE: This document illustrates how to login to the TIP application. If you need help addressing the application, password problems, inability to bring up the application, understanding the instructions, use of the program or difficulty making the program work, call the Moog Help Desk at 716-687-4620 or contact Barb Chirico at 716-687-5561.

The buyer remains the normal contact for any contract, process issues or providing additional people in your organization access rights to the Moog TIP ebusiness solution.

Access to the TIPQA database is available through the **PARTNERS** section of the www.moog.com website.

Technical Assistance is available from the Moog Help Desk 716-687-4620.

Press the **Moog Application** link, then select **TIP QA**.
