Site Directions

Freeway access from the Airport or City involves the use of a tollway called Citylink. It is important to note that Citylink has no tollbooths for cash transactions and therefore it is necessary to purchase a tollway pass either at the time of collecting your rental car via their [website instructions](#) . If you make a mistake and forget to make this purchase then you have 24 hours in which to pay for your travel by phone or the Internet.

From Melbourne's Tullamarine Airport:

Tullamarine Airport is the international and domestic airport for the City of Melbourne and is located approximately 20km to the north-west of the City. The Moog facility is a similar distance to the south-east in a suburb called Mulgrave. The best access is via the Tullamarine Freeway [Route 43] to the Citylink Tollway [Route 43] that connects initially to the West Gate Freeway [M1] then becomes Citylink [Route M1] to the Monash Freeway [M1] Initial directions on Citylink will be to Melbourne where you may exit for downtown hotels.

As you pass through the City environs the signage to follow will be to SE Suburbs/Dandenong.

Take the M1 route [Citylink, Monash Freeway] out of Melbourne in the direction "SE Suburbs/Dandenong/Warragul".

Exit at Blackburn Road [Route 13]/Monash University. At the traffic lights at this exit, turn right in the direction "Blackburn Road/Clayton" . After you pass through the 4th set of traffic lights you will be travelling down hill and need to move to the left side of the road for the next turn. Turn left in the direction "Wellington Road/Mulgrave". [Approximately 2.5 km for the freeway exit.]

Move to the right as you drive along Wellington Road and up a slight hill. After about 1.3 km you should turn right into Peters Avenue. Peters Avenue is opposite Com.Park business park on Wellington Road and as you turn into Peters Avenue you will see Toshiba on your left.

Follow Peters Avenue round two bends until you reach a Tee intersection with Miles Street. Turn right into Miles Street where we are the second building on the left.

If you miss the turn-off into Peters Avenue you should turn right at the next intersection "Springvale Road – direction Springvale", then right again into Miles Street [just past BMW on the right]. We are about 500m down on the left after passing Bastow Place.

From Downtown Melbourne:

Take the M1 route [Citylink, Monash Freeway] out of Melbourne in the direction "SE Suburbs/Dandenong/Warragul".

Exit at "Blackburn Road [Route 13]/Monash University". At the traffic lights at this exit, turn right in the direction "Blackburn Road/Clayton".
