

Dear Customer,

## REACH Declaration

We hereby declare that the AC Brushless Servomotors and Electromechanical Actuators manufactured by Moog Controls (I) Pvt Ltd, are compliant to the EU regulation REACH (EC 1907/2006) requirement of 223 Substances of Very High Concern (SVHC) in the Candidate List circulated by the European Chemicals Agency (ECHA) on January 17th, 2022, with exemption for Aluminum castings (exemption 6B), Fasteners (Exemption 6A) and Encoder (lead exemption).

The statement is based on vendor declaration and /or material certifications of the component materials used in the manufacturing of our products. We will continue to monitor REACH Directives as a part of our continual effort to provide quality products that meet the requirements of the customers and market that we serve.

Please feel free to contact MOOG representatives to get more details on this subject.
