Table II - Derivative Securities Acquired, Disposed of, or Beneficially Owned
(e.g., puts, calls, warrants, options, convertible securities)
**Explanation of Responses:**

1. This represents the difference between the number of SARs exercised (15,375) and the number of shares issued as a result of the exercise (7,179). The number of shares to be issued under a SAR exercise is determined by multiplying the number of SARs being exercised by the difference between the FMV on the date of exercise ($95.88) and the exercise price ($26.66). Additional shares are then withheld to satisfy the Company's tax withholding obligations.

3. Reflects shares held in Moog Inc. Retirement Savings Plan as of the most recent report to participants.

5. SARs become exercisable ratably over three years beginning on the first anniversary from the date of grant.

**Reminder:** Report on a separate line for each class of securities beneficially owned directly or indirectly.

* If the form is filed by more than one reporting person, see Instruction 4 (b)(v).

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Persons who respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB Number.
