

Moog UK Aircraft Group - Wolverhampton and Tewkesbury Operations

Export Compliance Statement

The Supplier and Purchaser shall comply with all applicable export regulations.

The Supplier shall be responsible for obtaining any required licences to export the product and/or technical data to Purchaser.

The Supplier certifies that the product/service supplied is not subject to either International Traffic in Arms Regulations or Export Administration Regulations. Where export controls do apply Supplier shall complete Purchaser Export Supplier Certification form and provide Purchaser copies of all relevant export authorisations.

The Supplier will seek Purchasers permission prior to incorporating any export controlled technology, item or software into supplied product.
