

Product End of Life Notice (2025-V-136E)

Products being discontinued:

Product	Description
D635	Pressure Control Valve with integrated electronics, NG6
D635K	ATEX certified Pressure Control Valve with integrated electronics, NG6

Schedule:

End of Life Announcement	October 1, 2025
Phase-Out <i>New orders accepted up until this date.</i>	December 31, 2027
Service <i>Repair and support is available until this date.</i>	December 31, 2029
Discontinued <i>The products are no longer available from Moog following this date.</i>	January 1, 2030
<i>Note: All warranty will be honored</i> <i>Disclaimer: The possibility of repairs during the service period is highly dependent on the availability of the hardware components at the time of repair. Moog will endeavor to maintain the ability to repair the products for the period specified above. However, due to circumstances beyond its control, it may not be able to fulfill this obligation.</i>	

Alternative product suggestions:

Discontinued Product	Alternative Product	Modifications needed or 1:1 replacement?
D635	D638	Modifications may be necessary
D635K	D638K	Modifications may be necessary

Reason for product end of life:

Technical: Using outdated technology concepts means that the products are no longer compatible with current market standards or customer expectations.

Infrastructure: Maintaining the infrastructure in the production environment to manufacture, assemble and test products is becoming increasingly challenging.

Supply chain: Sourcing of third-party components for our product(s) is severely hampered due to obsolescence of those components or sometimes impossible due to the absence of suitable alternative products.
