Focal Technologies Corporation
A Moog Inc. Company
914-X Diagnostic GUI Software License Statement

YOUR USE OF THE SOFTWARE DISTRIBUTED WITH THIS LICENSE IS SUBJECT TO ALL OF THE TERMS AND CONDITIONS OF THIS LICENSE STATEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS AND CONDITIONS OF THIS STATEMENT, DO NOT USE THE SOFTWARE.

1. This Software is a proprietary product of Focal Technologies Corporation and is protected by Copyright Law. Focal Technologies Corporation grants you a nonexclusive license to use this Software subject to the terms and restrictions of this license agreement. You are receiving a license to use this Software, Focal Technologies Corporation retains title to the Software and is the sole copyright owner. You, as an authorized end user, are permitted certain rights to use this Software as defined in this license agreement.
2. You may make archive copies of the Software for the sole purpose of backing up our Software and protecting your investment from loss.
3. You may not decompile, disassemble, reverse engineer, or in any way modify the program code.
4. This Software is supplied for the sole use of the licensee and may not be copied, forwarded or sublicensed to third parties.
5. The program code is provided on an "as is" basis without warranty of any kind whatsoever, either expressed or implied. Focal Technologies Corporation does not warrant the software to be error free, nor does it warrant it to meet your specific requirements.
6. Focal Technologies Corporation or its suppliers shall not be liable (a) for incidental, consequential, special or indirect damages of any sort, whether arising in tort, contract or otherwise, even if Focal Technologies Corporation has been informed of the possibility of such damages, or (b) for any claim by any other party. This limitation of liability shall not apply to liability for death or personal injury to the extent applicable law prohibits such limitation. Furthermore, some states do not allow the exclusion of limitation of incidental or consequential damages, so this limitation and exclusion may not apply to you.
